

TERMS OF PUBLICATION

2025 SJVW Anthology

Beginnings and Endings

I am the creator of “Title” and own all rights in “Title” for publication in the San Joaquin Valley Writers (SJVW) 2025 anthology *Beginnings & Endings*. I warrant that “Title” is original and solely my work. I am granting a one-year exclusive license to the SJVW to publish, reproduce, distribute, and display “Title.” At the end of the year, SJVW retains a non-exclusive license for the life of the copyright to continue to publish, reproduce, distribute, and display the anthology including the “Title,” but I otherwise retain all copyright rights and may utilize the work as I see fit, including in other publications.

For any copyrighted or quoted material that I have used, I have obtained the necessary consent, notified the SJVW of such use, and provided SJVW written copies of the consent.

To the best of my knowledge and due diligence, “Title” as submitted contains nothing that is libelous, injurious, or otherwise actionable or contrary to law, or that will infringe any copyright, proprietary right, or right of privacy.

I understand that the final version of “Title” is subject to edits for clarity, grammar, spelling, and punctuation, as well as other matters, and I agree to any such edits.

I also understand that SJVW will retain all monies earned by the SJVW anthology and that I will receive no compensation for my contribution.

Submission of “Title” constitutes an acknowledgement of and agreement with the terms as outlined here.
